RE: Otter Creek: February 8 Bid Results

The Department of Natural Resources and Conservation received no bids that met Land Board criteria for the Otter Creek tracts by the 5:00 p.m. deadline Monday, February 8. Ark Land Company, a subsidiary of Arch Coal, submitted a letter of interest. DNRC will take the matter under advisement, and the recommended action to the board will be posted on the Land Board website by afternoon of Thursday, February 11.
